

HRCx is proud to be providing commissioning services for Bombardier Aviation's New aircraft manufacturing campus located at Toronto's Pearson Airport.

The 770,000 ft<sup>2</sup> facility comprises of two main aircraft buildings, Assembly Facility and Flight Test Hangar, and several Auxiliary Buildings. Once completed the facility will be used for the production of Bombardier's long range Global private jets which includes their currently flagship Global 7500 and coming 2025 their Global 8000 aircraft.
