

FOUR SEASONS LOS CABOS AT COSTA PALMAS

Four Seasons Los Cabos at Costa Palma located on Mexico’s Baja California Peninsula, is designed to be a one-of-a-kind tropical hideaway situated on a long sandy beach and pristine waters. The 5-star luxury resort includes luxury guest rooms and branded residences, with a spa, fitness centre, conference facilities, and food and beverage spaces. The project which is set to open mid-2019, boasts a swimmable beach in a thousand acre resort, organic orchards and farms, plus a 250 slip marina.

The HIDI Group has a long standing relationship with the Four Seasons brand and continues its long history with the resort brand by providing Extra Low Voltage, Security & Risk and A/V design via our partner EMD. In addition HRCx HIDI’s commissioning division is providing testing and commissioning services in preparation for occupancy of the buildings covering MEP and fire protection, pools and installation review services.
