

# HUMBER COLLEGE WELCOME CENTRE

Located on the southwest corner of Lakeshore and Colonel Samuel Smith Park Drive, the new Welcome Centre serves as a gateway to Humber College’s Lakeshore campus. Designed by Moriyama & Teshima Architects, this building functions as the first stop for new students and visitors. The 45,000 ft<sup>2</sup> Centre is destined to be the focal point of the Lakeshore Campus.

The development houses a variety of student services including the Academic and Career Success Centre; Student Life; Interpretive Centre; Counselling; Disability and Health Centre; Aboriginal and Multi-Faith Centres; Test Centre; Data Centre; and HR/Principal’s Offices. The building features a grand entrance walkway and is complete with underground parking. It is LEED Silver certified to meet the Institution’s sustainability objectives.

The HIDI Group provided mechanical, electrical, communications and security design, and lighting was provided by Alula Lighting Design.
