

The Miele Experience Centre, new flagship store located in Yorkdale Mall in Toronto, Canada and the first for Miele world-wide. The Miele brand is a world leading manufacturer of high-end domestic appliances which aims to enhance the cooking, baking and steam-cooking appliances, refrigeration products, coffee makers, dishwashers and laundry and floor care product experience.

The HIDI Group provided mechanical, electrical, plumbing, communications and security design for the new flagship store that encompasses approximately 2,166 ft<sup>2</sup> of rentable area on the West Expansion of Yorkdale Mall. The project consists of the fit-up of the space in accordance with Miele's design requirements. Working closely with the Stantec team and the Miele brand, the HIDI team was able to design systems that successfully enhanced the Miele showcase experience while meeting the Miele branding requirements.
