

Weber Shandwick is a leading global PR and communications agency, earning attention and inciting action for some of the best brands and organizations worldwide. Weber Shandwick Toronto office is located in First Gulf’s The Globe and Mail Centre which is nestled in the King East Design District.

The HIDI Group provided mechanical, plumbing, and electrical and communications design for the 20,000 ft<sup>2</sup> tenant fit-out of Weber Shandwick Toronto Head Office, located in The Globe and Mail Centre, 351 King Street East. In achieving LEED Silver certification, the project shows its dedication and commitment to the environment. The project has also been acknowledged for its design by its 2017 ARIDO Award of Merit.
